

# FENNEC FAWN

SUSTAINABILITY, CREATIVITY, AND THOUGHTFUL CULTURE

FENNECFAWN.COM  
FENNECFAWN@GMAIL.COM

## ABOUT ME

Fennec Fawn is a passion project in which I can indulge in the intersection of all of my interests. As a dedicated environmentalist and human rights activist working in politics, small business owner and artist, and beauty enthusiast, these seemingly disparate worlds come together as I write about how to live an aspirational and ethical lifestyle. My goal is to write the publication I wish existed, for women who share my passions that can look to me as a trusted peer.
